

NEW DATE FOR THE COURSE “WATER LAW IN THE LIGHT OF WATER GOVERNANCE”

Dear Participant,

ANA’s Board of Directors announced Ordinances # 99 and # 104, of March 12th and 17th, 2020, respectively, which establish temporary measures to prevent the spread of the coronavirus (COVID-19). The first Ordinance suspends, *sine die*, among others, the promotion and face-to-face participation of all ANA’s civil servants in technical, scientific and academic events.

Therefore, we inform that the Course “**Water Law in the Light of Water Governance**”, initially scheduled to take place between April 28th to 30th, 2020, in the city of São Paulo, SP (Brazil), **was rescheduled for October 6th to 8th, 2020.**

Finally, we request that you **confirm your participation by sending a copy of your passport and your airplane ticket until July 31th, 2020** (the course does not cover the cost of your return ticket to São Paulo). This is needed for us to provide your transfer from São Paulo Airport (Guarulhos or Congonhas) to the lodging place (hotel) and vice versa.

To travel to Brazil, you will also need an International yellow fever vaccination certificate (which must also be sent together with the other documents mentioned above). We therefore remind you that is essential to have the vaccines up to date and to travel with your **International Vaccination Card.**

Simplified Schedule:

| | |
|---|---|
| Deadline for confirming the participation and sending the documentation (Passport, airplane ticket and proof of vaccination) | July 31th, 2020 |
| New course period | October 6th to 8th, 2020 |

We ask for your understanding of this setback, that is beyond our governability.

In case of any doubt, don’t hesitate to contact us.

Yours truly,

Coordenação de Capacitação do SINGREH – CCAPS/SAS/ANA
Superintendência de Apoio ao Sistema Nacional de Gerenciamento de Recursos Hídricos – SAS/ANA
