

NEW FORMAT FOR THE COURSE OF “WATER LAW IN THE LIGHT OF WATER GOVERNANCE”

Dear Participant,

Due to worsening pandemic situation by Covid-19 in some Brazilian states, we inform that we are evaluating, together with Unesco and the teacher responsible for the course, the possibility of readjusting it to the “live” format with transmission and everyone's participation online.

A priori, the course dates will be maintained (perhaps added by one or 2 days, with a reduction in the daily workload, but maintaining the total workload, initially planned).

More information will be sent soon.

In case of any doubt, don't hesitate to contact us.

Yours truly,

Coordenação de Capacitação do SINGREH – CCAPS/SAS/ANA
